### Why go to University when you can join same level courses and save money at BMet?

- Save money – many of our courses cost less than standard university fees – without compromising on quality.
- Multiple options - Foundation Degrees, Diplomas & More
- Stay local and study for qualifications awarded by universities - From HNCs and HNDs to Foundation Degrees
- Flexible and affordable – with part-time and full-time options, you can fit your studies around your life. **PLUS, you'll save on travel and accommodation!**
- Smaller class sizes = more support, more focus, and direct access to expert tutors who know you by name!
- Gain hands-on experience with local businesses, real-world projects, and skills that will make employers say **“Yes!”**

### Hear It from Our Students:

“ Staying at BMet for my degree was the best choice! The support is amazing, and I’ve got work experience that’ll set me up for the future! ”

\*Most HNC and HND courses are up to £3000 cheaper than the university
